

## Rock'n'roll Suicide - 1/1

**Interprété par David Bowie.**

Time takes a cigarette, puts it in your mouth  
You pull on your finger, then another finger, then your cigarette  
The wall-to-wall's calling, it lingers, then you forget  
You're a rock 'n' roll suicide

You're too old to lose it, too young to choose it  
And the clock waits so patiently on your song  
You walk past the cafe but you don't eat when you've lived too long  
You're a rock 'n' roll suicide

Chev brakes are snarling as you stumble across the road  
But day breaks instead so you hurry home  
Don't let the sun blast your shadow  
Don't let the milk floats ride your mind  
So natural - religiously unkind

Oh, no love! You're not alone  
You're watching yourself but you're too unfair  
You got you head all tangled up but if I could only make you care  
Oh, no love! You're not alone  
No matter what of who you've been  
No matter when or where you're seen  
All the knives seem to lacerate you brain  
I've had my share so I'll help you with the pain  
You're not alone just turn on with me  
You're not alone let's turn on and be  
You're not alone gimme your hands  
You're wonderful gimme your hands  
You're wonderful gimme your hands
