

Where Do You Go - 1/2

Interprété par No mercy.

(Music by F. Reuter/Lyrics by F. Reuter, P. Bischof-Fallenstein/Published by FAR MV)

Where do you go my lovely
Where do you go - I wanna know
My lovely I wanna know
Where do you go?
I wanna know
Where do you go?
I wanna know
Where do you, where do you go?
Where do you, where do you go?
You leave without a word
No message no number
And now my head is poundin' like rollin' thunder
You left me with a heartache
Deep inside
Girl you should see me
Cry all night and I wonder
Everybody says what a shame
What is wrong
They don't like the game you play
Heard you're hangin' round every night
Until dawn
And waiting for you night and day
Where do you go my lovely
Where do you go - I wanna know
My lovely I wanna know
Where do you go?
I wanna know
Where do you go?
I wanna know
You gotta break the silence
Don't keep me waiting
Just like a river flowing to the sea
You're running back to me
Girl, hear what I'm saying
Where do you go my lovely
I wanna know
Where do you go?
I wanna know
Where do you, where do you go?
Where do you, where do you go?
Save me
Come back and dry
The tears I cry for you baby
You gotta stop this heartache
Deep inside

Where Do You Go - 2/2

You gotta help me make it through the night
Save me - come back and save me
Where do you go my lovely
Where do you go - I wanna know
My lovely I wanna know
Where do you go?
My lovely where do you go?
I wanna know
Where do you, where do you go?
