

Break of dawn - 1/1

Interprété par Michaël Jackson.

CD Invincible

Hold my hand, feel the touch of your body cling to mine
You and me, makin' love all the way through another night
I remember you and I walking though the park at night
Kiss and touch, nothing much, let it blow just touch and go

Love me more, never leave me alone by house of love
People talk, people say what we have is just a game
Oh, I'll never let you go, come here girl
Just got to make sweet love 'til the break of dawn

CHORUS :

I don't want the sun to shine I wanna make love
Just this magic in your eyes and in my heart
I don't know what I'm gonna do I can't stop lovin' you
I won't stop 'til break of dawn makin' love

Hold my hand, feel the sweat, yes you've got me nervous yet
Let me groove, let me soothe, let me take you on a cruise
There's imagination workin', never been there before
Have you ever wanted to dream about those places you've never know

Break of dawn, there's no sun up in the sky
Break of dawn, I can see it in your eyes
Break of dawn, girl you got to understand
It's the way that I love you, let me show you I'm your man
Break of dawn

CHORUS x2

Let's not wait, the sun is out, let's get up and let's get out
It's the day, a brand new day, let's both go outside and play
Let us walk down the park, makin' love 'til it's dark
Can you move, can you soothe, 'til the break of dawn and you know it's true, oh

CHORUS x3
