

Shiver - 1/1

Interprété par Coldplay.

CD Parachutes

So I looked in your direction,
But you paid me no attention, do you.
I know you don't listen to me.
'cause you say you see straight through me, don't you.

On and on from the moment I wake,
To the moment I sleep,
I'll be there by your side,
Just you try and stop me,
I'll be waiting in line,
Just to see if you care.

Did she want me to change?
But I change for good.
And I want you to know.
But you always get your way,
I wanted to say,

(Chorus)
Don't you Shiver? Shiver, Shiver

I'll always be waiting for you,
So you know how much I need ya,
But you never even see me, do you?

And this is my final chance of getting you.

On and on from the moment I wake....
Did she want me to change?...

(Chorus)

Sing it loud and clear.
I'll always be waiting for you. (x3)
Yeah I'll always be waiting for you.

And it's you I see, but you don't see me.
And it's you I hear, so loud and clear.
I sing it loud and clear.
And I'll always be waiting for you,.

So I look in your direction,
But you pay me no attention,
And you know how much I need you,
But you never even seen me.
