

Empty - 1/1

Interprété par Cranberries.

Paroles/Musique : O'Riordan, Hogan

Cd : No need to argue

Something has left my life
And I don't know where it went to
Somebody caused me strife
And it's not what I was seeking
Didn't you see me, didn't you hear me

Didn't you see me standing there
Why did you turn out the lights

Did you know that I was sleeping
Say a prayer for me

Help to feel the strength I did
My identity has been taken
Is my heart breaking on me
All my plans fell through my hands

They fell
Through my hands on me
In my dreams it suddenly seems
It suddenly seems
Empty...
Empty...
