

Daffodil lament - 1/1

Interprété par Cranberries.

Paroles/Musique : O'Riordan, Hogan

Cd : No need to argue

Holding on that's what I do
Since I met you
And it won't be long, would you notice
If I left you
And it's fine for some
Cause you're not the one
All night long, I laid on my pillow

These things are wrong
I can't sleep here
So lovely, so loving

I have decided to leave you forever

I have decided to start things from here
Thunder and lightning won't change
What I'm feeling
And the daffodils look lovely today
And the daffodils look lovely today
Look lovely today
Oh in your eyes I can see the disguise

Oh in your eyes I can see the dismay
Has anyone seen lightning
Has anyone looked lovely
And the daffodils looked lovely today

And the daffodils looked lovely today
Looked lovely today
Looked lovely
Looked lovely ...
