

## I'm So Into You - 1/2

Interprété par Aaliyah.

[Chorus]

I'm so into you  
I'm so into you  
I'm so into you  
I'm so into you

[Verse 1]

Baby can't you see I got a thing for you  
I really like the way you do the things you do  
Take control of me fulfill my fantasies  
Here's my page and number won't you get with me

[Bridge]

It's just the little things you do that turns me on  
You really turn me on  
And you got it goin' on I'm into you

[chorus]

[verse 2]

My dear I feel so weak you knock me off my feet  
And it's good to know you love me just for me  
I'll be here all the time I'll never let you go  
There is something that I have to let you know

[bridge]

[chorus]

[rap]

Well can't you see Aaliyah's got a thing for you  
And the second chapter like the things you do  
So pull up to my bumper and I'll ride wit' you  
And let's go rollin' down a block or two  
Now add a little bass to the E Q but  
Now all of a sudden I gotta whisper sweet little nothing  
Aaliyah told me to tell you to call her  
(I'm so into you)

[chorus till fade...]
