

In a Little While - 1/2

Interprété par U2.

In a little while Surely you'll be mine In a little while I'll be there

In a little while This hurt will hurt no more I'll be home, love

When the night takes a deep breath And the daylight has no air If I crawl, if I come crawling home Will you be there

In a little while I won't (be) blown by every breeze Friday night running To Sunday on my knees

That girl, that girl She's mine And I've know her since

Since you were a little girl With Spanish eyes Oh, when I saw her In a pram they pushed her by

My, how you've grown Well it's been It's been a little while

Slow down my beating heart
Man dreams one day to fly
A man takes a rocket ship into the skies
He lives on a star that's dying in the night
And follows in the trail
The scatter of light

Turn it on

In a Little While - 2/2

Turn it on You turn me on

Slow down my beating heart Slowly, slowly love Slow down my beating heart Slowly, slowly love Slow down my beating heart Slowly, slowly love
