

Staring at the Sun - 1/2

Interprété par U2.

Summer stretching on the grass Summer dresses pass In the shade of a willow tree Creeps a crawling over me

Over me and over you
Stuck together with God's glue
It's going to get stickier too
It's been a long hot summer
Let's get under cover
Don't try too hard to think
Don't think at all

I'm not the only one Staring at the sun Afraid of what you'd find If you took a look inside

I'm not just deaf and dumb Staring at the sun Not the only one Who's happy to go blind

There's an insect in your ear
If you scratch it won't disappear
It's going to itch and burn and sting
You want to see what the scratching brings

Waves that leave me out of reach Breaking on your back like a beach Will we ever live in peace 'Cause those that can't do Often have to And those that can't do Often have to preach

To the ones Staring at the sun Afraid of what you'll find If you took a look inside

Staring at the Sun - 2/2

Not just deaf and dumb Staring at the sun I'm not the only one Who'd rather go blind

Intransigence is all around Military still in town Armour plated suits and ties Daddy just won't say goodbye

Referee won't blow the whistle God is good but will He listen I'm nearly great But there's something missing I left it in the duty free But you never really belonged to me

You're not the only one Staring at the sun Afraid of what you'd find If you stepped back inside

I'm not sucking on my thumb I'm staring at the sun Not the only one Who's happy to go blind
