

## Lemon - 1/2

**Interprété par U2.**

Lemon

See through in the sunlight  
She wore lemon  
But never in the daylight  
She's gonna make you cry  
She's gonna make you whisper and moan  
And when you're dry  
She draws her water from the stone

And I feel

Like I'm slowly, slowly,  
Slowly slipping under  
And I feel  
Like I'm holding onto nothing

She wore lemon

To colour in the cold grey night  
She had heaven  
And she held on so tight

A man makes a picture

A moving picture  
Through the light projected  
He can see himself up close  
A man captures colour  
A man likes to stare  
He turns his money into light  
To look for her

And I feel

Like I'm drifting, drifting,  
Drifting from the shore  
And I feel  
Like I'm swimming out to her

Midnight is where the day begins

Midnight is where the day begins  
Midnight is where the day begins

Lemon

See through in the sunlight

A man builds a city

With banks and cathedrals  
A man melts the sand so he can

See the world outside

## Lemon - 2/2

A man makes a car  
And builds a road to run them on  
A man dreams of leaving  
You're gonna meet her there  
She's your destination  
You gotta get to her  
She's imagination

But he always stays behind

And these are the days  
When our work has come assunder  
And these are the days  
When we look for something other

Midnight is where the day begins  
Midnight is where the day begins  
Midnight is where the day begins  
Midnight is where the day begins

Midnight is where the day begins  
Midnight is where the day begins  
Midnight is where the day begins  
Midnight is where the day begins

A man makes a picture  
A moving picture  
Through the light projected

He can see himself up close  
A man captures colour  
A man likes to stare  
He turns his money into light  
To look for her  
She is the dreamer  
She's imagination  
Through the light projected  
He can see himself up close  
You're gonna meet her there  
She's your destination  
There's no sleeping there  
She's imagination  
Lemon

She had heaven

She wore lemon
