

No Pressure Over Cappuccinos - 1/1

Interprété par Alanis Morissette.

And you're like a 90's jesus
And you revel in your psychosis
How dare you
And you sample concepts like hors d'euvres
And you eat their questions for dessert
Is it just me or is it hot in here

And you're like a 90's kennedy And you're really a million years old You can't fool me They'll throw opinions like rocks in riots And they'll stumble around like hypocrites Is it just me or is it dark in here?

Well you may never be or have a husband you may never have or hold a child You will learn to lose everything we are temporary arrangements

And you're like a 90's noah

And they laughed at you as you packed all of your things

And they wonder why you're frustrated

And they wonder why you're so angry

And is it just me or are you fed up?

And may god bless you in your travels in your conquests and queries
