

## Too Hot - 1/2

Interprété par Alanis Morissette.

Chorus:

Always too hot never too cold  
You make your best shot too hot to hold  
Never too young Never too old  
You gotta go for gold

Hey boy you wanted all or nothin'  
Lose the apprehension baby  
And go with the flow cause you know you've got to  
Stand up if you want the answers  
You need to blast 'em straight up baby  
So say what you mean and you mean to say now

Hey you don't have to go and prove it  
You just go ahead and do it  
Your time is for the takin', makin'  
the best of what you got now

Repeat Chorus

Don't care what they say about ya  
You never throw a hero party  
For those who oppose who you chose to be now  
Maybe you could feel the power  
It's like a bomb inside your head that blows if you're  
slow when you go to use it  
You, you gotta show them that you mean it  
Just go ahead and scream it  
And show them what they're missin' listen  
to what your heart could tell ya

Repeat Chorus

You gotta go for gold and you'll make it baby  
Gold! And when you're there you gotta  
Throw your hands in the air  
And wave 'em like you just don't care  
Movin' provin' everything you're doin

Repeat Chorus

You, you don;t have to go and prove it  
You just go ahead and do it  
Your time is for the takin' makin'  
the best of what you got now  
Always too hot  
Never too cold

## Too Hot - 2/2

Go with the flow cause you know you've got to
