

Temptation Waits - 1/2

Interprété par Garbage.

i'll tell you something
i am a wolf
but i like to wear sheep's clothing
i am a bon fire
i am a vampire
i'm waiting for my moment

you come on like a drug
i just can't get enough
i'm like an addict coming at you
for a little more

and there's so much at stake
i can't afford to wait
i've never needed anybody
like this before

i'll tell you something
i am a demon
some say my biggest weakness
i have my reasons
call it my defense
be careful what you're wishing

you come on like a drug
i just can't get enough
i'm like an addict coming at you
for a little more

and theres so much at stake
i can't afford to wait
i've never needed anybody
like this before

you are a secret
a new possession
i like to keep you guessing

you come on like a drug
i just can't get enough
i'm like an addict coming at you
for a little more

and there's so much at stake
i can't afford to wait
i've never needed anybody
like this before

Temptation Waits - 2/2

when i'm not sure
what i'm living for
when i'm not sure
when i'm not sure
what i'm looking for
when i'm not sure
when i'm not sure
what i'm living for
when i'm not sure
when i'm not sure
what i'm looking for
when i'm not sure
what i'm living for
when i'm not sure
what i'm looking for
when i'm not sure
what i'm living for
