i can't use what i can't abuse
and i can't stop when it comes to you

you burned me out but i'm back at your door
like joan of ark coming back for more

i nearly died
i nearly died
i nearly died

i came to cut you up
i came knock you down
i came around to tear your little world apart
i came to shut you up
i came to drag you down
i came around to tear your little world apart
and break your soul apart

you burn burn to get under my skin
you've gone too far now i won't give in
you crucified my but i'm back in your bed
like Jesus Christ coming back from the dead

i nearly died
i nearly died
i nearly died

i came to knock you up
i came to cut you down
i came around to tear your little world apart
i came to knock you up
i came to shut you down
i came around to tear your little world apart
and break your soul apart

i nearly died
i nearly died
i nearly died

i came to cut you up
i came knock you down
i came around to tear your little world apart
i came to shut you up
i came to suck you down
i came around to tear your little world apart
tear your little world apart
tear your little world apart
