

Not My Idea - 1/1

Interprété par Garbage.

i bit my tongue and stood in line
with not much to believe in
i bought into what i was sold
and ended up with nothing

this is not my idea of a good time
this is not my idea of a good time
this is not my idea of a good time
this is not my idea

you thought that i would never see
what was meant for you was meant for me
i was distracted at the time
forget about yours now what about mine?

this is not my idea of a good time
this is not my idea of a good time
this is not my idea of a good time
this is not my idea

you thought i was a little girl
you thought i was a little mouse
you thought you'd take me by surprise
now I'm here burning down your house

this is not my idea of a good time
this is not my idea of a good time
this is not my idea of a good time
this is not my idea
