

# It Is You (I Have Loved) - 1/1

**Interprété par Dana Glover.**

There is something that I see  
In the way you look at me  
There's a smile, there's a truth in your eyes

But an unexpected way  
On this unexpected day  
Could it mean this is where I belong  
It is you I have loved all along

It's no more mystery  
It is finally clear to me  
You're the home my heart searched for so long  
And it is you I have loved all along

There were times I ran to hide  
Afraid to show the other side  
Alone in the night without you

But now I know just who you are  
And I know you hold my heart  
Finally this is where I belong  
It is you I have loved all along

It's no more mystery  
It is finally clear to me  
You're the home my heart searched for so long  
And it is you I have loved all along

Over and over  
I'm filled with emotion  
Your love, it rushes through my veins

And I am filled  
With the sweetest devotion  
As I, I look into your perfect face

It's no more mystery  
It is finally clear to me  
You're the home my heart searched for so long  
And it is you I have loved  
It is you I have loved  
It is you I have loved all along
