

# Daydream Interlude [Fantasy Sweet Dub Mix] - 1/2

Interprété par Mariah Carey.

La da da  
Da da da da  
(It's so sweet)  
Da da  
In my daydream

Every night you creep into my dreams  
Fantasy  
It's so deep, but it's a fantasy  
Hey, ey ey

Every night you creep into my dreams  
It's so real (in my daydream)  
Just a sweet, it's just a sweet...

My daydream  
It seems so real  
You touch me  
You come into my dreams  
Come to me  
But it's just a fantasy

It feels so sweet  
But it's just a dream  
Oh baby  
It's just a sweet  
Fantasy

Daydream is all that I can do  
I'm a wreck, yeah, over you  
In silence, I keep it to myself  
Come take me  
Don't want nobody else

(ad-libs)

And it's sweeter than sweet  
And it's sweeter than sweet  
And it's sweeter than sweet

And it's deeper than reality  
Just a sweet  
It's just a sweet  
You're like a kiss of life  
(You're like a kiss of life)  
Building in the sky  
But it's just a fantasy
