

Forever - 1/1

Interprété par Mariah Carey.

Oh yeah, yeah
Those days of love are gone
Our time is through
Still I burn on and on, all of my life only for you

1 - From now until forever and ever
My darling
Forever
You will always be the only one
You will always be the only one

Oh
As long as I shall live
I'll hold you dear
And I will reminisce
Of our love all through the years

Repeat 1

Oh
If you should ever need me
Unfailingly I will return, to your arms
And unburden your heart
And if you should remember
That we belong together
Never be ashamed
Call my name
Tell me I'm the one you treasure

Forever and ever, my darling
Forever
You will always be the only one, oh yeah
You will always be the only one
Oh baby you will always be the only one

Forever you will always be the only one
Forever you will always be the only one
Forever you will always be the only one
Forever you will always be the only one
