[Wanya]

There's a girl I know who looks so fine

She really turns me on

My friends said I should, but it's takin' me too long

Everytime I get the nerve to call, she is never home

I leave another message and I sit here all alone

She's got me...

So I got a chance to talk to her to see just where we stand

She felt the same about me, could I be her only man

I tried to let it out, we could have some fun

But before I got an answer, she said she had to run

It's got me...
