[Nakia] Mike

[Michael] Yes

[Nathan]

The love I have right next to me is here and always will be

I'm caressing your body emotionally

As you can feel and will see

[Wanya]

Why can't we go all the way, to the top

Before last ?extreme?

The sounds I hear when you're with me

Express the way that you feel, girl

(As you say...)

Repeat 1

[Nathan]

In a passion set, we move in close

The love that we share is the same

I can tell when I reach down deep inside

You show it when you call out my name

[Wanya]

Squeezing you tight and holding you close is all I feel inside

Although I try to hold in my love

It's something that I just can't hide (girl)

Repeat 1

Repeat 1

[Michael]

The music is low, the lights are dimmed, there we lay

Passion overflows with every look in your eyes

Uhh Ahh - 2/3

Infatuation, lust, and alot of love
Sweet caresses, gestures, get to me as you ?
Can't clench my bed, ecstasy fills the head
As you kiss on my neck, and stroke my back with your hand
I want to hold you tonight, I feel this is my duty
To grasp, to hold, to rock that booty

Repeat 1 to fade w/ad-libs

Uhh, ahh, ohhh

Uhh, ahh, ohhh

[Nathan]

In a minute, we'll be finished

Was I all that you hoped and dreamed?

Was I strong enough? (Strong enough)

To make you feel me, did I dig too deep in your mind?

[Wanya]

You were thinking of ways

To make me work for something good but wanted

All through the night, all I heard you say was...

Repeat 1

[Shawn]

Now that we're done, what are you thinking?

Should we talk about it baby?

[Nathan]

You look so beautiful laying there

[Wanya]

With the moonlight shining on you (through the shades)

[Shawn]

What has come over me?

Ohh, you feel so good

Ohh, you feel so good

Uhh Ahh - 3/3

[Michael]
Let's do it again

Repeat 1
Repeat 1

[Shawn]
Yeah, oh, oh, oh, oh

[Michael]
Toss and turn, back and forth
The love grows, as the night flows
Ever so smoothly
I move you as you groove me
Taking our time as our bodies
Join to extract pure satisfaction
Holdin' and moldin', while I'm watching your reactions
To pure bliss
As I rub and kiss
Every pleasure ? from moments like this
