

## Picture Of you - 1/1

**Interprété par Boyzone.**

didn't they say that i would make a mistake  
didn't they say you were gonna be trouble  
people told me you were too much to take  
i couldn't see it, i didn't want to know

i let you in, and you let me down  
you messed me up , and you turned my life around  
you left me feeling i had nowhere to go  
i was alone, how was i to know that  
you'd be there when i needed somebody,  
you'd be there the only one who could help me

i had a picture of you in my mind  
never knew it could be so wrong  
why'd it take me so long  
just to find the friend that was there all along

do you believe that after all we've been through  
i'd be able to put my trust in you  
goes to show you can forgive and forget  
looking back, i have no regrets, cause you'd be there  
when i needed somebody you'd be there,  
the only one who could help me

i had a picture of you in my mind  
never knew it could be so wrong  
why'd it take me so long  
just to find the friend that was there all along  
you'd be there, when i needed somebody you'd be there,  
the only one who could help me

i had a picture of you in my mind  
never knew it could be so wrong  
why'd it take me so long  
just to find the friend that was there all along
