

## Ben - 1/1

**Interprété par Boyzone.**

ben, the two of us need look no more  
we both found what were looking for  
with a friend to call my own i'll never be alone  
and you, my friend, will see you got a friend in me

ben you're always running here and there  
you feel you're not wanted anywhere  
if you ever look behind and don't like what you find  
there's one thing you should know you got a place to go

i used to say i  
and me now it's us  
now it's we  
i used to say i  
and me now it's us now its we

ben, most people would turn you away  
ben, the two of us need look no more  
i don't listen to a word they say  
they don't see you as i do  
i wish they would try to  
i'm sure they'd think again  
if they had a friend like ben
