

Father And Son - 1/1

Interprété par Boyzone.

it's not time to make a change just relax, take it easy
you're still young, that's your fault there's so much you have to know
find a girl, settle down if you want you can marry
look at me, i am old but i'm happy

i was once like you are now and i know that it's not easy
to be calm when you've found something going on
but take your time, think a lot a think of everything you've got
for you will still be here tomorrow but your dreams may not

how can i try to explain when i do he turns away again
and it's always been the same, same old story
from the moment i could talk i was ordered to listen
now there's a way and i know that i have to go away i know i have to go

it's not time to make a change just (sit down), take it (slowly)
you're still young, that's your fault there's so much you have to (go trough)
find a girl, settle down if you want you can marry
look at me, i am old but i'm happy

all the times that i've cried keeping all the things i (knew) inside
and it's hard, but it's harder to ignore it
if they were right i'd agree but it's them they know not me
now there's a way and i know that i have to go away i know i have to go
