

So Good - 1/1

Interprété par Boyzone.

we're gonna be so good like only we could
come on and help me now
gonna be so good like i knew we should

i've heard it before, oh yeah and you're telling me no
and i'm crazy we're talking too fast
we've just got to take it nice and slow sit back let it flow now

don't be misunderstood
when baby, maybe you know

we're gonna be so good like i knew we would
like only we could come on and help me now
gonna be so good 'cause it's understood like i knew we should
hi---- hah, so good now baby

no matter the cost, oh yeah when we're out on the town
getting lazy i'll show you who's the boss
we're just gonna take it all the way no matter what they say now

don't be misunderstood
when baby, maybe you know

we're gonna be so good like i knew we would
like only we could come on and help me now
gonna be so good 'cause it's understood like i knew we should
hi---- hah, so good now baby

don't be misunderstood
when baby, maybe you know

we're gonna be so good like i knew we would
like only we could come on and help me now
gonna be so good 'cause it's understood like i knew we should
hi---- hah, so good now baby

were gonna be so good
like i knew we would
you know we're good
