

# No Surprises - 1/1

**Interprété par Radiohead.**

A heart that's full up like a landfill  
a job that slowly kills you  
bruises that wont heal.  
You were so tired and happy,  
bring down the government, they don't, they don't speak for us.  
I'll take the quiet life, a handshake of carbon monoxide.

No alarms and no surprises,  
No alarms and no surprises,  
No alarms and no surprises,  
Silent.  
Silent.

This is my final fit, my final bellyache with

No alarms and no surprises,  
No alarms and no surprises,  
No alarms and no surprises please.

Such a pretty house and such a pretty garden.

No alarms and no surprises, (let me outta here!)  
No alarms and no surprises, (let me outta here!)  
No alarms and no surprises please. (let me outta here!)
