

# Let Down - 1/1

**Interprété par Radiohead.**

Transport motorways and tramlines  
starting and then stopping  
taking off and landing  
the emptiest of feelings  
disappointed people clinging onto bottles  
and when it comes its so so  
disappointing.

let down and hanging around  
crushed like a bug in the ground  
let down and hanging around

shell smashed, juices flowing  
wings twitch, legs are going  
don't get sentimental  
it always ends up drivel  
one day  
I'm going to grow wings  
a chemical reaction  
hysterical and useless  
hysterical and

let down and hanging around  
crushed like a bug in the ground  
let down and hanging around

you know  
you know where you are with  
you know where you are with  
floor collapses floating  
bouncing back  
and one daaaaaaaaaaayyyyy  
I am gonna grow wings  
a chemical reaction (you know where you are)  
hysterical and useless (you know where you are)  
hysterical and (you know where you are)

let down and hanging around  
crushed like a bug in the ground  
let down and hanging around
