

## Vegetable - 1/1

**Interprété par Radiohead.**

I never wanted anything like this  
I worked hard, tried hard  
I ran around [? a molested place ?]  
I fought hard, died long

Every time you're running out of here  
Every time you're running I get the fear

I never wanted any broken bones  
Scarred face, no home  
Your words surround me and asphyxiate  
And I burn all hate

Every time you're running out on me  
Every time you're running I can see

I'm not a vegetable  
I will not control myself  
I spit on the hand that feeds me  
I will not control myself

The waters spray, the waters roll all over me  
The waters spray, the waters roll on this tired [?]

I'm not a vegetable  
I will not control myself  
I spit on the hand that feeds me  
I will not control myself
