

Milk and toast and honey - 1/1

Interprété par Roxette.

Milk and toast and honey make it sunny on a rainy Saturday, he-he-hey
Milk and toast, some coffee take the stuffiness out of days you hate, you really hate
Slow morning news pass me by
I try not to analyze but didn't he blow my mind this time
Didn't he blow my mind?

(Here he comes) To bring a little lovin', honey
To take away the hurt inside is everything that matters to me
Is everything I want in life

Milk and toast and honey
Ain't it funny how things sometimes look so clear and feel so near
The dreams I dream, my favourite wishful thinkin';
Oh, he's bookmarked everywhere, everywhere
True love might fall from the sky
You never know what to find but didn't he blow my mind this time
Didn't he blow my mind?

(Here he comes) To bring a little lovin', honey
To take away the pain inside is everything that matters to me
Is everything I want from life

(Here he comes) Oh lay a little lovin', honey
To feel you're gettin' close to me is everything that matters to me
Is everywhere I want to be
