

Beautiful Things - 1/1

Interprété par Roxette.

Beautiful things are comin' my way. Beautiful things, I want them to stay.
But after a while my beautiful things don't seem beautiful at all.
Terrible things like when you wake up and all of your dreams seem to crack up.
Like things you have done like breakin' my heart. For you it don't seem terrible at all.
Is there someone I can talk to? Someone on the line?
Does anybody want to hear What's on my mind?
Beautiful things like leaves on a tree. Beautiful things, the sky and the sea.
Since you've been gone no beautiful things seem beautiful to me.
Is there someone I can talk to? Someone out there on the line?
Does anybody want to hear What's on my mind?
Make the grass grow in the garden when the rain is passin' by.
Does anybody want to know what's on my mind?
