

You Can't Put Your Arms Around What's Already Gone - 1/1

I saw red, stayed at home. Placed a big pillow over the phone.
In this town where I'm from I've learned two is so much better than one.
But you left me alone. You can't put your arms around what's already gone.
Watch you sink like a stone. You can't put your arms around what's already gone.
Well, you hurt to the core. You used to kiss like no one had done before
and your taste turned me on. Now you drive me real crazy just by being born.
Cos you left me alone
and you can't put your arms around what's already gone. Watch you sink like a stone.
You can't put your arms around what's already gone.
Baba b-baba b-baba ba. Baba b-baba b-baba ba.
Took the tram 'round the bay where everyone tells you to have a nice day.
And my pride almost broke when the tears don't fit you, you look like a joke.
And you left me alone.
You can't put your arms around what's already gone. Cryin' eyes gettin' worn.
You can't put your arms around what's already gone. Hey, you left me alone.
You can't put your arms around what's already gone. Watch you sink like a stone.
You can't put your arms around what's already gone.
Baba b-baba b-baba ba. Baba b-baba b-baba ba.
