

# Do you wanna go the whole way? - 1/1

Interprété par Roxette.

Before we take off all our clothes and get close together  
Before it gets too serious both of us need to know  
Are we gonna go the whole way this time? This time?  
Before all the secrets are revealed old scars must heal or wither  
But it's getting very late and I can't wait anymore  
Are we gonna go the whole way this time?  
Do you wanna go the whole way this time? This time?  
Do you wanna go the whole way now? We're taking it easy  
Do you wanna go the whole way, Babe? Kick it in, kick it in slowly.  
Do you wanna go the whole way this time?  
Do you wanna go the whole way for shure?  
Do you wanna go the whole way this time? This time? This time? Do ya?
