

Perfect day - 1/1

Interprété par Roxette.

Breathe some faith into my chest. Lay me down, I need the rest.
Ever since the sky turned grey I've waited for the perfect day.
Hey now - it seems you've always touched me like the sun
There's no escape for the broken-hearted, there's no return once you've lost your way.
I say a prayer now our love's departed that you'll come back to stay
and bring the perfect day.
Blinded by a crazy light I fell into the darkest night.
Those magic ties, the two of us, I couldn't see it turn to dust.
Hey now - it seems you've always reached me like the sun.
There's no escape for the broken-hearted, there's no return once you've lost your way.
I say a prayer now your love's departed that you'll come back to stay
bring back the perfect day.
