

## Little Girls Eyes - 1/1

Interprété par Lenny Kravitz.

All I have and all I do  
Cannot compare to the love of you  
You make me feel alive  
You are my highest high  
All I can do is smile  
When I look in my little girl's eyes  
You're my star and when I'm far  
You're not alone cause your heart's my home  
You are my biggest prize  
So beautiful and so wise  
All I want to do when I come into the room is see her smile  
When I look in my little girl's eyes  
You make me feel alive  
You are my highest high  
All I can do is smile  
All I can do is smile  
When I look in my little girl's eyes
