

# Can't Get You Off My Mind - 1/1

Interprété par Lenny Kravitz.

Life is just a lonely highway  
I'm out here on the open road  
I'm old enough to see behind me  
But young enough to feel my soul  
I don't wanna lose you baby  
And I don't wanna be alone  
Don't wanna live my days without you  
But for now I've got to be without you  
I've got a pocket full of money  
And pocket full of keys that have no bounds  
But then I think of lovin'  
And I just can't get you off of my mind  
Babe can't you see  
That this is killing me  
I don't want to push you baby  
And I don't want you to be told  
It's just that I can't breathe without you  
Feel like I'm gonna lose control  
I've got a pocket full of money oh yes I do  
And a pocket full of keys that have no bounds  
But when it comes to lovin'  
I just can't get you off of my mind  
Am I a fool to think that there's a little hope tell me baby  
What are the rules the reasons and the do's and don'ts  
Tell me baby tell me baby  
What do you feel inside?  
I've got a pocket full of money  
And a pocket full of keys that have no bounds oh yeah  
But when it comes down to lovin'  
I just can't get you off of my mind  
I just can't get you off of my mind
