

Heartbreak Hotel - 1/1

Interprété par Whitney houston.

CD My love is your love

This is the heartbreak hotel (9x)

You said that you'd be here by nine And said you took your time You didn't think to call me boy Here I sit trying not to cry Asking myself why you do this to me

Chorus 1 (sung by Faith Evans)

Since you're not around for me to tell you baby face to face I'm writing you this letter, and this is hat I have to say:

All I really wanted was some of your time

Instead you told me lies

When someone else was on your mind

What you do to me

Look what you did to me

I thought that you were someone who would do me right

Until you play with my emotions and you made me cry

What you do to me

Can't take what you did to me

Now I see that you been doing wrong

You played me all along.

And made a fool of me, baby

You got it all wrong to think that I wouldn't find out

That you were cheating on me.

How could you do it to me?

Chorus 2 (sung by Kelly Price)

Chorus and ad lib I aint goin to take it no more (4x) (Kelly Price)Everthing you said was a lie Don't lie to me (fade out)
