

# The Living Daylights - 1/1

Interprété par A-Ha.

Hey driver, where're we going  
I swear my nerves are showing  
Set your hopes up way too high  
The living's in the way we die

Comes the morning and the headlights fade away  
Hundred thousand people...I'm the one they blame  
I've been waiting long for one of us to say  
Save the darkness, let it never fade away  
In the living daylights

All right, hold on tight now  
It's down, down to the wire  
Set your hopes up way too high  
The living's in the way we die

Comes the morning and the headlights fade in rain  
Hundred thousand changes...everything's the same  
I've been waiting long for one of us to say  
Save the darkness, let it never fade away  
In the living daylights

Comes the morning and the headlights fade away  
Hundred thousand people...I'm the one they frame  
In the living daylights
