

I've Been Missing You - 1/1

Interprété par Texas.

Do I know if you are sleepin
Cause you lie so still and warm
Yeh the darness and the silence
Wrap around me

Don't hear your cries
That make me sleep so sound
Maybe I've been missing you
I'm been missing you
For so long

If one day you said you were happy
I think your spell would be broken for good
Sometimes I pray
That you are unkind to me
