

Follow the light - 1/1

Interprété par Travis.

CD The invisible band

nobody really

knows where they're supposed to go

hiding behind a wall

afraid that they'll lose it all

but it's alright

just follow the light

and don't be afraid of the dark

in the moonlight you'll dance til you fall

and always be here in my heart

but nobody wants to know

cos nobody even cares

everyone's on the make

yeah and everyone's out for themselves

me i'm on the longest road

where everything's overload

but i've got my heart and soul

so don't throw me overboard

cos it's alright

just follow the light

and don't be afraid of the dark

in the moonlight

you'll dance til you fall and always be here in my heart

cos it's alright

just follow the light

and don't be afraid of the dark

in the moonlight

you'll dance til you fall

and always be here in my heart

cos it's alright alright now

and you're alright

yeah we're alright now
