CD On how life is

All I ever

wanted was some love and peace and harmony

I could dance in the raw in the sun underneath the stars

When I walk over to my money tree ain't nobody there

trying to take from me

When they ask "Are you truly free?" I'd say "Yes,

truly'

But down here in reality everybody knows there ain't no such

thing

And it's clear

It's obviously this is not the place I'm supposed to be

On and on and on I've searched

What I'm lookin for is not here on earth

I can't stand I can't take no more

So I know that I gotta go

So long everybody

Mama don't be sad for me

Life was a heartache and now I am finally free

Don't know where I'm headed

Hope I see you someday soon

So long everybody

I have gone beyond the moon

All I ever wanted, love and the peace and the harmony

Just to be to live and shine

When I get ready I up and fly

And I can't remember none of the things that I want to forget

It's the best - satisfaction no less

Ask if I'm free and I'll say "Oh yes"

But down here in reality everybody knows there ain't no such thing

uning

And it's clear

It's obviously this is not the place I'm supposed to be

On and on and on I've searched

What I'm lookin for is not here on earth

I can't stand I can't take no more

So I know that I gotta go

So long everybody

Mama don't be sad for me

Life was a heartache and now I am finally free

Don't know where I'm headed

Hope I see you someday soon

So long everybody

I have gone beyond the moon

Before I do

The letter - 2/2

Just one more look at you
It's worth the stay
But I'll meet you later at that better place
All I ever wanted was
All I ever wanted was
All I ever wanted was
So long everybody
Mama don't be sad for me
Life was a heartache and now I am finally free
Don't know where I'm headed
Hope I see you someday soon
So long everybody
I have gone beyond the moon
