

Indefinitely - 1/1

Interprété par Travis.

CD The invisible band
everyday in every
way i'm falling
everything that everyone says turns me on/off
shine a light on me
so that everyone can see that i wanna stay here indefinitely
time exists but just on your wrist so don't panic
moments last and lifetimes are lost in a day
so wind your watches down please
cos there's no time to lose
and i'm gonna stay here indefinitely
and i wanna stay here so just let me be
now i can see the light circling round your reflection
and i'm gonna stay here indefinietely
and i'm gonna stay here so just let me be
indefinitely
indefinitely
