

I was made that way - 1/2

Interprété par Geri Halliwell.

CD Scream if you wanna go faster
I guess I'm a bad
girl
I learned to make you cry
I'm hanging my guilty conscience
Drying on the line Love's hangover is
drifting away
I'm good and ready for love
'Cause I know it's a Saturday Heaven should help
me
You are my weekend lover
Just my plaything
When it's raining
I'm just like the weather
Never the same
I can't help it
I was made that way I guess you've a bad
boy
Fooled around for years
I'm making my mind up, Baby
A change is good my dear Love's hangover is
drifting away
I'm good and ready for love
'Cause I know it's a Saturday
Heaven should help me
You are my weekend lover
Just my plaything
When it's raining
I'm just like the weather
Never the same
I can't help it
I was made that way Heaven should help
you
You better run for cover
I'm sunshine and thunder
It's a wonder And when I say good
bye
I want you to stay
I can't help it
I was made that way Heaven should help
me
You are my weekend lover
Just my plaything
When it's raining
I'm just like the weather
Never the same
I can't help it

I was made that way - 2/2

I was made that way Heaven should help
you
You better run for cover
I'm sunshine and thunder
It's a wonder
And when I say goodbye
I want you to stay
I can't help it
I was made that way I was made that way
And I'm here to stay, Baby I was made that way
And I'm here to stay, Baby
