I love the way you  
walk,  
i love the way you talk  
With your mouthful  
The way you park on the sidewalk  
The way you are in the car  
I'll make you love the way I behave  
On my bad days  
Show you the trigger to my bitch switch  
And how to play with my witch stitch  
Kiss my dirty feet  
i'll take you out for dinner  
Laugh at my jokes  
I wanna sit on your back  
Close my eyes  
Take your pulse  
It's 120  
And it's rising  
All I wanna do, Is kootchi koo with you  
All I wanna do, Is kootchi koo with you  
All I wanna do, Is kootchi koo with you  
All I wanna do, Is kootchi koo with you  
I love the way you rob a shop  
I love the way your belly flops  
As the morning drops  
And the way you change from playing cup  
When you force me to stop  
First my assailant  
Then my private federal agent  
Bang my feet chain my hands  
And ignore my demands  
Kiss my dirty feet  
i'll take you out for dinner  
Laugh at my jokes ahah  
I wanna sit on your back  
Close my eyes  
Take your pulse  
It's 120  
(ahhhhh) And it's rising (ahhhh)  
All I wanna do, Is kootchi koo with you  
All I wanna do, Is kootchi koo with you now  
All I wanna do, Is kootchi koo with you oh  
All I wanna do, Is kootchi koo with you yeah  
All I wanna do, Is kootchi kootchi kootchi koo with you  
All I wanna do, Is kootchi koo with you oh  
All I wanna do, Is kootchi kootchi kootchi kootchi koo with you

## Kootchi - 2/2

All I wanna do, Is kootchi koo with you  
All I wanna do, Is kootchi koo with you now  
You're like maggots in my brain  
Crawling through my veins  
All I wanna do, Is kootchi koo with you  
All I wanna do, Is kootchi koo with you  
All I wanna do, Is kootchi koo with you  
Kootchi  
Kootchi  
Kootchi  
Kootchi  
Kootchi  
Kootchi  
Kootchi  
Kootchi  
Kootchi koo
