I wasn't born Born to stay Thought that I'd buy you A golden ring A golden ring for your finger Yeah A golden ring for your finger I was a woman That was born to travel I'd go anywhere That whims would allow Now I'm going to buy a ring A golden ring for your finger A golden ring for your finger A golden ring for your finger I thought you'd never Ever relate To a stranger Of a thousand years to late Now I'm going to buy a ring Yeah A golden ring for your finger A golden ring for your finger I thought you'd never Ever relate To a stranger Of a thousand years to late Now I'm going to buy a ring Yeah A golden ring for your finger A golden ring for your finger A golden ring for your finger
