

My favourite game - 1/1

I don't know what
you're looking for
You haven't found it baby, that's for sure
You rip me up and spread me all around
In the dust of the deed of time
And this is not a case of lust, you see
It's not a matter of you versus me
It's fine the way you want me on your own
But in the end it's always me alone And I'm losing my
favourite game
You're losing your mind again
I'm losing my baby
Losing my favourite game I only know what I've
been king for
Another you so I could love you more
I really thought that I could take you there
But my experiment is not getting us anywhere
I had a vision I could turn you right
A stupid mission and a lethal fight
I should have seen it when my hope was new
My heart is black and my body is blue And I'm losing my
favourite game
You're losing your mind again
I'm losing my favourite game
You're losing your mind again
I'm losing my baby
Losing my favourite game I'm losing my favourite
game
You're losing your mind again
I've tried
I've tried
But you're still the same
I'm losing my baby
You're losing a saviour and a saint
