

Hanging around - 1/1

Interprété par Cardigans.

CD Gran Turismo

I wonder what it's

like

Seeing through your eyes

You've offered me to have a try

But I was always late

The filters that I use

Give me an excuse

I take away what's real

I feel it and it blows my fuse I hang around

For another round

I'm hanging around

For another round

I'm hanging on

To the same old song

I hang around

For another round

Until something stops me I wonder what it's

like

Walking by your side

To think before I talk

And to move at the same speed as you walk

I want to have a weight

To keep me in your state

I'm watching from above

I love but it's not for me I hang around

For another round

I'm hanging around

For another round

I'm hanging on

To the same old song

I hang around

For another round

Until something stops me
