

Cry - 1/1

Interprété par Ophélie Winter.

Once upon a time there was a girl
With gimmerin' eyes
Always full of laughter
Hummin' lullables
Waiting for the very special star
To shine her way
To help her through the pain and sorrow
That she always felt
Just cry
Tears are made to cry little girl
I'm telling U just cry, cry
Just lean on, my shoulder and cry
Counting every second
Every night and precious day
Leanin' on her
knees
Beside her bed praying
Praying for the future
To keep her soul alive
Life was made to live they say
But
tears were made to cry
Just cry...
