

# It's Raining On Prom Night - 1/1

Interprété par Grease.

I was deprived of a young girls dream  
By the cruel force of nature from the blue  
Instead of a night full of romance supreme  
All I got was a runny nose and adjadict flu

It's raining on prom night my head is a mess  
It's running all over my taffida dress

It's wilting and quilting on my maiden form  
And mascara flows, right down my nose because of the storm

I don't even have my corsage oh gee  
It fell down the sewer with my sisters ID

Yes it's raining on prom night  
Oh my darling what can I do?  
I miss you  
It's raining rain from the sky and it's raining real tears  
from my eyes  
Over you  
Oh dear god make him feel the same way I do right now  
Make him want to see me again  
Oh what can I do  
It's raining rain from the sky, it's raining tears from my  
eyes over you  
Raining, oh tears from my eyes over you raining oh raining on  
prom night  
Raining, oh tears from my eyes over you raining oh raining on  
prom night  
Raining, oh tears from my eyes over you raining oh raining on  
prom night
