

Another one bites the dust - 1/1

Interprété par Queen.

Steve walks wearily down the street with his brim pulled way down low
Ain't no sound but the sound of his feet, machine guns ready to go
Are you ready, hey, are you ready for this
Are you hanging on the edge of your seat
Out of the doorway the bullets rip
To the sound of the beat

Chorus :

Another one bites the dust
Another one bites the dust
And another one gone and another one gone
Another one bites the dust, yeah
Hey, I'm gonna get you too
Another one bites the dust

How do you think I'm gonna get along without you when your gone
You took me for everything that I had, and kicked me out on my own
Are you happy are you satisfied
How long can you stand the heat
Out of the doorway the bullets rip
To the sound of the beat. Look Out!

Chorus

Another one bites the dust
Another one bites the dust aouh !
Another one bites the dust hey hey
Another one bites the dust
Ooh shoot out

There are plenty of way that you can hurt a man, and bring him to the ground
You can beat him you can cheat him you can treat him bad and leave him when he's down
But I'm ready, yes I'm ready for you
I'm standing on my own two feet
Out of the doorway the bullets rip
Repeating to the sound of the beat

Chorus
Shoot Out!
