

More than that - 1/1

Interprété par Backstreet boys.

CD Black & blue

I can see that you've been crying
You can't hide it with lie
What's the use in you denying
That what you had was wrong
I heard him promise you forever
But forevers come and go
Baby he would say whatever
It takes to keep you alive
Tell the truth between the lines
Oh I will love you more than that
I won't say those words then take them back
Don't give loneliness a chance
Baby listen to me when I say
I will love you more than that
Baby you deserve much better
What's the use in holding on
Don't you see it's now or never
Cause I just can't be friends
Baby knowing in the end
That I will love you more than that
I won't say those words then take them back
Don't give loneliness a chance
Baby listen to me when I say
There's not a day that passes by
I don't wonder why we haven't tried
It's not too late to change your mind
So take my hand, don't say goodbye
I will love you more than that
I won't say those words then take them back
Oh I will love you more than that
I won't say those words then take them back
Don't give loneliness a chance
Baby listen to me when I say
I will love you more than that
Oh I will love you more than that (more than that)
I won't say those words then take them back
Don't give loneliness a chance
Baby listen to me when I say
I will love you more than that
