CD My love is your love
The day you held me in your arms
I still smell da scent of you
On my dress unbelievable
And you was so masculine
The way I felt your chest up next to mine
I fell you in my heart
Now I breathe love
You are so amazing
Unbelievable baby
It's you that make me smile
When everything gets crazy
And you the one I love
No other man can faze me
Cause you're in my heart
Every minute, daily
The time you looked into my eyes
I felt like falling in love
And I was mesmerised
Cause it's something you do
That makes me feel this way
I can't explain
You're my joy peace and happiness
And you...
You are so amazing
Unbelievable baby
It's you that make me smile
When everything gets crazy
And you the one I love
No other man can faze me
Cause you're in my heart
Every minute, daily
